Powerful and ultra-fast double shot, even in strong winds.

The **Guardian Angel III** from **Piexon** is a compact, reliable, and gas-free instant-use **personal defense** device. Thanks to its pyrotechnic propulsion technology, it neutralizes an attacker in one second, even outdoors in challenging conditions.

- **Capacity:** 2 independent shots
- **Effective range:** up to 4 meters
- **Projection speed:** 180 km/h
- **Weight:** 120 g
- **Dimensions:** 120 x 85 x 25 mm
- **Precision:** open sights with rear and front sights
- **Category:** D - unrestricted sale to persons 18 years and over

Immediate protective reflex

The black **Guardian Angel III** with a pistol grip offers a **quick and natural grip** . The instinctive shooting position, combined with perfectly designed ergonomics, allows for maximum responsiveness. Two successive pulls of the trigger fire two shots, with no reloading time.

Ultra-fast and targeted jet at 180 km/h

Thanks to its **pyrotechnic propulsion system** , the incapacitating liquid is projected at high speed (up to 180 km/h), which guarantees **immediate neutralization** at a distance of 0.60 m to 4 m. Unlike conventional sprays, it does not disperse a cloud of gas, eliminating any risk of it blowing back into the face.

Effective action on both humans and animals

Piexol , an ultra-concentrated active ingredient, acts instantly, even through a balaclava or on an aggressive dog. The aggressor is disoriented and immobilized for **15 to 30 minutes** , allowing for safe passage without physical contact.

Compact, robust and maintenance-free

The Guardian Angel III is **non-rechargeable** , so it's always ready to use. It features a discreet **clip** for belt or pocket attachment. Its compact size (120 x 85 x 25 mm) and lightweight design (120 g) make it easy to carry every day, without being cumbersome or bulky.

FAQ - Frequently Asked Questions
